

IMPORTANT ANNOUNCEMENT

81st Annual Session to be held at Lucknow (Uttar Pradesh) from 16th to 19th April, 2022

On the invitation of Government of Uttar Pradesh, the 81st Annual Session of the Indian Roads Congress will be held at Lucknow (Uttar Pradesh) from **16th to 19th April, 2022**. The Invitation Booklet containing the Tentative Programme, Registration Form, Accommodation Form etc. will be available in our **website** www.irc.nic.in shortly. Accommodation is available on first come first serve basis. All members of IRC are invited to attend the 81st Annual Session.

It is expected that more than 3000 Highway Engineers from all over the country and abroad will attend this Session. During the Annual Session of IRC, there has been a practice for various firms/organizations to make Technical Presentations on their products/technologies & case studies (with innovative construction methods or technologies or having special problems requiring out of the box thinking and special solutions). The presenters will get an opportunity to address a large gathering of highway professionals from Private Sector as well as decision makers in the Govt. Sector. These presentations evoke lively interaction among the participants. A time slot of about 12-15 minutes is normally allocated for each Technical Presentation. Time is also given for floor intervention. During such Technical Presentation Session, no other meetings will be held parallel so as to ensure maximum attendance during the Technical Presentation Session. The stakeholders are, therefore, requested to participate in the event and book presentation slots at the earliest.

Interested Organizations may write to IRC conveying their willingness for participation and send the topics of their Technical Presentation by E-mail: paper.irc-morth@gov.in/ad.irc-morth@gov.in or through Speed Post along with a **Demand Draft for Rs. 1,50,000/- (Rupees One Lakh Fifty Thousand only) drawn in favour of Secretary General, Indian Roads Congress, New Delhi latest by 28th February, 2022** so that necessary arrangements can be made by IRC.
